“ *Dear Steve and Family,*

We saw the notice in the Broadcaster that Lillian has passed away. We are so sorry to hear about it and are praying for you and the kids. Sandy

Hello, Stevo,

I was surprised and very sad to hear about Lillian. My Dad died two months ago and just today I spoke with a friend whose wife recently died. I cannot know what you are going through. Be assured your friends are praying for you and want to help. Our Lord is great and Lillian is in good hands.

Please let Howie know we wrote and extend our sympathies to him as well.

“ Dear Steve,
I just today learned of your loss as posted in the Concordia Broadcaster. Lil was my college roommate and I often thought of her fondly. She was the one who took me on my first airplane ride out of NE - all the way to New York! I have never experienced a greater kindness than this invitation home for Easter holiday with her family. The days spent with her remain at the top of my list of favorite college experiences. Her beautiful smile and contagious laugh will continue to brighten my days. Thank you for sharing her with me.
