“ *To the Milstead Family: Deepest sympathies with Linda's passing. Our hearts will miss her, her graciousness but firmness, and her uncanny ability to bring things and people together. She was very special to all of us.##imported-begin##Laurie Simms##imported-end##*

“ *Linda was my co-worker and I will really miss her. She was extremely organized and she tried to keep the rest of us in line by gently reminding us of deliverables and due dates. She had a great sense of humor and could always be counted on to say something funny when everyone got too serious in our staff meetings. I'll miss our brief little chats. She was easy to talk to and a good listener.##imported-begin##Teri Griswold##imported-end##*

“ I am grateful for having met Linda and for the experience of working with her for almost ten years. It was a true blessing! Linda was always a pillar of faith and support for people around her. Always with a positive attitude, full of love and great wisdom to share. We shared great times and laughter, what a unique sense of humor she had. We also shared hardships and tears, some of which seemed overbearing at the time. I remember Linda always coming with great words of comfort. Linda will be deeply missed by all of those who got to know her. My thoughts and prayers are with Howard and with all of Howard's and Linda's family.##imported-begin##Salvador Ruiz##imported-end##

You have been an inspiration to me throughout the years. You married my brother and through the years became a beloved member of our family and you will be greatly missed. Keep the Heavenly Choir and Orchestra in order as I know you will. You will always be in our hearts. I love you my sister.

“ Words are inadequate to express the loss we all feel. Howard, our thoughts and prayers are with you and your family. Linda was very special to so many people. She was kind and gentle, yet strong and always true to her convictions. Linda was more than a co-worker; she was a partner and a friend. We shared many laughs (and tears) over the years. I knew I could always count on her wisdom, insight and commitment. She was an inspiration to all of those who knew her and will be greatly missed. “ Howard

I was so fortunate to have Linda as my 2nd line with AT&T. Linda always had time for her employees and was thoughtful of all of us. She was so proud of you and I could tell by her comments that she loved you dearly as well as her children and grandchildren. We will truly miss her very much. I pray God will heal your heart from the hurt soon. As children of God we shall all see her again once it is our turn. May God bless and keep you.

Sincerely,

Mildred Cannon
