“ *Dear Howard and Family,  
I am so sorry to hear about Linda. She was such a happy, kind,  
sweet spirit when I started at Forsyth County HD in 1999, and really  
took me under her wing to teach me all she new in Public Health.  
She loved her job, and she loved helping people, especially the  
kids. My heart is sad. I know you will miss her dearly. You are in my  
prayers.  
Sincerely, Nancy Baymiller##imported-begin##Nancy

“ *Larry, I'm so sorry to hear about your sister, but Heaven is singing  
praises that a lovely sister has come home. I always thought that  
nurses are angels in uniform. I'm sure she will have many rewards  
in Heaven. God bless you and your family.##imported-begin##Nola

“ So sorry I was not able to be with you all during these last few days. I love each of you so much and I cherish the news that Linda is out of that prison that held her for so long and is fasting in the arms of Jesus now. I always thought of this sickness as prison that took you loved ones from you and now she is FREE Thanks be to my savior Jesus.....Love and prayers your way....##imported-begin##Dianane Christopher##imported-end##

“ Dear Howard, Chuck, Laurie, & Family: May you know peace that came from your giving to your wife & Mom care and love that she so justly deserved. David & I are so concerned about you during this time. May you know that if I were there I hope to hug & hold you the way Linda did for others for so many years. Our Piedmont sisterhood is stronger for having such a beautiful lady in our group. May you feel our prayers carry you all. Respectfully,

“ Dearest Howard, Chuck and Laurie,  
I only wish I could be there to wrap my arms around the three of you and offer some kind of comfort. Linda was truly beautiful and kind with a special, tender heart. She was my special roomie at Piedmont(she put up with me longer than the rest) and I was privileged to be present and celebrate when she married her Howard. I miss that she is in this world of those who love her. God rest her precious soul and may you and those who love her find strength and rest in the days and years to come.  
With love and deep sadness, Bobbye##imported-begin##Bobbye Smith Hume##imported-end##

“ Dear Howard, Laurie and Chuck,  
It was a priviledge to be with you yesterday.Thanks for allowing me to be with you. Not something any of us want to do It has been a long struggle for all of you. You can be proud of the love you all shared with Linda. She was a great wife, mother, and nurse. We as Piedmont Sisters had dreaded this time. She was the first loss of our classmates. We had a friendship and bond that many do not understand or have the priviledge of experiencing  
As I told you yesterday, you will never have to look back. You were there for Linda for 11 years and made sure she was taken care of. Love to all of you, and know you will be in our prayers as the next days will be difficult for you  
Love you,

“ Laurie Howard and Chip,  
t

*I grieve for your loss, but rejoice in knowing that Linda is with our Lord. Linda fought a long hard battle with a cruel disease having you and your families beside her made it easier for her. I know Linda would not want sadness today, I also know through my heart that it is impossible not to feel sad as your loss is so great.*

*I loved Linda and will always be grateful for the priviledge in caring for Linda. I will hold her dear to my heart today and each day forward. There will never be a time that I won't think of her when I sing or hear Amaging Grace. God bless each of you, my prayers are with you. I love you all. “ *My heart breaks to send this message. Linda was not only the best cousin ever, but she was a wonderful person. Some of my fondest memories include Linda. My prayers are for Howard and her children and grandchildren. I hope you are somewhat consoled, as I am, that this terrible disease no longer controls her. I wish I could hug each of you. Of course, my sentiments are echoed by Dean. I love you.*
