

Lisa Althea Marie Fahoome

September 11, 1951 - November 4, 2023

Lisa Althea Marie Fahoome, age 72 of St. Petersburg, FL (and recently Milton, Georgia), was called to Heaven on Saturday, November 4, 2023. She was born on September 11, 1951 at Grace Hospital in Detroit, Michigan. She is the precious daughter of the late Althea Thornton Lee and the late Felix Bregni, and the third of nine children in the family; she had four sisters and four brothers.

As a young boy, Lisa's father emigrated from Volpedo, Italy with his mother and older brother. At 10 years old he finally met his own father, who had traveled to America to find work to support the family. They settled in Detroit, Michigan via Ellis Island and completed their family of 5 sons. Lisa's mother, an only child, was born in Cleveland, Ohio. Her father died when she was only three years old so she was raised by her mother and grandmother. Althea and Felix were married on August 21, 1948. They originally lived with Felix's parents on Petoskey Street, eventually bought a house on Vaughn and then moved to their iconic home on Sudbury Road in Farmington Hills. Here they raised a bustling family of nine children while Felix owned and operated several restaurants and Althea tended to her garden and managed the household. The family grew to include many grandchildren and great grandchildren, each baby described as "beautifully formed." Decades of happy memories of gourmet feasts and festive holiday celebrations with conversation, song, and laughter were created in the home as Althea and

Felix regularly welcomed family and friends with open arms.

At the tender of age of 17, Lisa married the love of her life, Joe Fahoome, and they had three daughters, Michelle, Nicole and Danielle. The girls adored and emulated their mother; Michelle even referred to herself as “Little Lisa.” Lisa was thrilled to be welcomed into the Fahoome family where she was known to lovingly wash and style hair and provide manicures for her beloved mother-in-law, Rose Mary, and her sisters.

Her birth name, Lisa Althea Marie Bregni, gifts her the initials LAMB. In reverence to the LAMB of God, Lisa sacrificed and cared for her children as well as her family. She extended her humble home as a sanctuary to her loved ones, a testament of her generous and nurturing heart. Lisa radiated and exemplified God’s agape love. She received the Lord’s favor and many blessings and miracles in her life. People often commented that she was as beautiful inside as she was on the outside. Though she was gloriously striking, she was incredibly humble with a gentle spirit and refreshing innocence. She touched many with her kindness and compassion: she saw the best in others and uplifted them with her sincere compliments and praise. We are wise to follow Lisa’s example to devote oneself to the Lord, as she was clearly filled with the Holy Spirit and therefore “the breath of the Almighty” (Job 33:4).

A vibrant woman of grace, Lisa was strong yet gentle, beautiful yet humble. Her presence was undeniably palpable, and many were struck by her character, integrity, tenacity and depth of love. Lisa would say her biggest accomplishment was raising three girls, but we all know that anyone she encountered was a bit mesmerized and forever transformed. Lisa will be missed immensely and loved eternally, and she is certainly still blowing us all kisses from Heaven. xo

Lisa was the beloved mother of Michelle (Bobby) Kim, Nicole (Dana)

Fahoome and Danielle (Tony) Fasulo. She was the dearest sister of Lewis (Dawn) Bregni, Nori Brassfield, Phillip Bregni, Gina (Ian) Connor, Eugene Bregni, Marla (Roger) Smith, Carla (Bill) Page and Mario Bregni. She was the loving grandmother of Andrew, Luke, Nicholas, Musa and Lola. She was the cherished aunt of Damian, Teresa, Amalia, Nathaniel, Jason, Erica, Jamie, Heather, Leanne, Elliott, Courtney, Adam, Miles, Brittany, Alicia and John.

“ *Although only having the pleasure of meeting Lisa once, I was first struck by her beauty. Within moments, I saw a greater beauty in her kindness, quick laughter and devotion to her daughters. A bright star has faded but the memory will be forever.*

Teardrops fall as I try to imagine this world without Lisa in it. As an impressionable teen, Lisa taught me how to present myself with style, dignity and grace, for she possessed all of these qualities in abundance.

Lisa entrusted her beautiful girls to me when she needed a hand and I loved them with all my heart. I still do. In fact, Lisa and her entire family embraced me as though I was their own. I have always cherished that.

The most beautiful swan has been lifted to heaven. My heart breaks for her family. Heaven just gained a precious angel.

I posted a video of Lisa with her family on the tribute page. Her loveliness and graceful spirit was captured on film 53 years ago, and her memory is forever in our hearts. Thank you Lisa for your example of kindness which you've passed on to your daughters.

I never had the pleasure of meeting Lisa in person through the years, although I feel I knew her well through her beautiful daughters, Nicole and Danielle. Her light, love, and beauty shined bright through them and will forever shine. My love, thoughts and prayers go out to the family, it is a tremendous loss, one that can only be comforted knowing Lisa's life shines bright through them. I send my heartfelt love to the family and pray for peace and comfort in the hearts of those who love her knowing she will always stay that bright light deep within them. My deepest condolences, my love and thoughts always and forever! "Aunt Mona"

Lisa, you are such a wonderful person. I am going miss you! You touched our lives on so many levels! You were like Michelle's second mom! I love each one of your daughters as my own! I've met years before the girls met each other. When we were both bartenders, back in the day. What fun!

I am so blessed that the girls became such close friends that you and I could connect from time to time on our different paths in life. Michelle, Nicole and Danielle have so many great qualities from you. Not only are they talented like you they are beautiful girls like their mom! With the style of grace, compassion, strength, loving hearts. You brought up "go getters" !! I have had so much fun sharing this path we call life with you and your girls! Thank you ! My heart goes out to all your loved ones. Your passing will require a time of personal grieving. Girls, if you feel you need a "mama hug", I'm here to give you that, in honor of your mom. We are like family. I love you all with all my heart. I pray for all of you during this time. I believe your mom is watching over you right now and thanking God she was blessed to have you three as her daughters to carry on her legacy.

Lisa lives in each one of you. And that, in itself, is the best gift a mother could give. You girls were her life! She loved you to the moon and back!! My deepest condolences to you. You are in my gear, my thoughts and prayers! God bless you. I love you. Mama claud/ grandma claud
