It is with a grateful heart that we announce the passing of Lois J. Silva, domestic engineer, devoted wife, magnificent golfer, loyal friend and cherished mother. 7/26/40-4/11/14. We say grateful because she transitioned with remarkable spirit, grace and humor....she was adored by her children, Scott, Chris and Leslie, by the Sharps, The Alexanders, The Wafers, The Pensons, The Silvas and countless life long friends...grateful that she has gone to her lord, to her husband of 48 years, John...grateful that they are playing the most incredible round of golf in the stars...grateful for the laughter, the hugs, the singing, the SMILE. We will all miss our ' best friend' but we rest in the knowledge that we will be together again in spirit. “ Years ago , Lois came into our lives through a friend. We gathered together to study Gods word to know Jesus and His father better. We grew in love and Gods Holy Spirit and the miles between us never mattered. We always knew we were family , and now Lois has gone home ahead of us. See you soon dear friend and sister in Christ! May the love, laughter, hugs and great memories of your mom, and the caring support of friends and family, comfort you in the days and weeks ahead.

Laugh, talk, think, of her; prayer for her. All her sorrow, and pain have been taken away. She is in peace with the Risen Lord.

“ We've lost the most beautiful, loving, strong, intelligent sister, anyone could ever hope for. The void in our lives is barely describable. Lois was truly more than a sister for her 73 years. She was my best friend and confidant. She was Bobby's favorite DIY student. She nurtured us, made us laugh and loved us. But she loved Jesus more. Oh, how she loved her Lord!! She is surely in his presence and we are so very grateful. She saw the very best in everyone and loved her husband, children and friends unconditionally. She loved her sister and brother's children as if they were her own. Always caring about their lives, achievements and challenges. This is a very sad time. There is tremendous comfort in knowing she always knew we were there for her and she for us. Life won't be the same without her.

Love and God Bless all of you for being in her life.
