“ JUDY, IT HAS BEEN SO LONG, I AM NOT SURE YOU REMEMBER ME. BUT I REMEMBER YOUR PRETTY BLUE EYES AND SWEET DEMEANOR FROM WHEN WE WORKED TOGETHER AT MIC. MY OLDEST AND DEAREST FRIEND REGINA LOZYNSKY INFORMED ME OF YOUR LOSS. I WAS DEEPLY SADDENED. LORI SPENT TIME WORKING AT MIC AS I RECALL BEFORE THE OFFICE CLOSED. DAVID BEAULIEU AND I USED TO TALK ABOUT HOW STUNNING LORI WAS. WHEN SHE ENTERED THE ROOM,EVERYONE KNEW IT. WOW!CAPTIVATING! IS THE ONLY WAY TO DESCRIBE HER. I PRAY JESUS' GRACE IS SUFFICIENT FOR YOU TO FIND NOT NECASSARILY UNDERSTANDING, BUT PEACE###imported-begin###jelene medlock manders###imported-end###

“ Dan,

We can't find the words to express how deeply saddened we were to hear of Lori's passing. Always know that we care greatly for you and your family.

Jim and I spoke last night, and we both remember Lori to be, of course, a beautiful, down to earth person, with a sense of humor; and as Jim put it "not even stuck up".

Ilise & I remember the person who "trashed" Pauli's house with toilet paper, just before going to his Wedding Reception.

And, although we're far away, we want you to know we've been thinking of you and we have you in our thoughts and prayers.

May Lori rest in peace, and be remembered for the fun loving person.

Love,

Your old friends.

“ It seem£ odd to imagine Lori without a smile on her face...even when she probably wasn't feeling her best, she would still flash that gorgeous smile and ask about our kids with genuine sincerity and talk about her family with pure love. Preston and I are devastated by the news and offer our deepest sympathy to Dan, the boys and her family. What a tragedy to know that her exuberance has now been silenced- I pray that her memory will bring happiness to those that loved her and that through prayer and reflection, God will comfort us all. “ THE PROMOTION

Back in March of this year, Under the unfortunate circumstances of the passing of my Uncle Ken it brought the family and friends together to celebrate his life. Many of us had not seen each other in some time. While it was a sad time with his struggles with illness, we were all able to gather and share stories and update everyone about our families and lives and share a few laughs as well.

Lori having never met my two eight year old twin boys sat between these two fidgeting boys on a couch during the funeral services.

She grabbed one of the boys in a pretend headlock and said I have two boys just about your age and if the don't behave I am going to get you. During her visit here she chatted with them as if they were old friends and invited them down this summer for a visit.

The next day in my boys mind, Lori and I don't know how, somehow got a promotion. She went from who was that lady ?, to Cousin Lori, to by the time she left Aunt Lori. While distance kept me from knowing my cousin Lori well I can bet that family and friends who did know her would attest that, she was just that a stranger one minute to best friends the next. Her statuesque beauty captured the eye, and her laughter and youthful smile and charm would fill a room with happiness. She was everyone's friend.

She has now been promoted once again to a happier place, and I'm sure she will be looking for us to now celebrate her life with fun and happy stories, To update our lives with others and to share a few laughs.##imported-begin##David Counts (cousin)##imported-end##
