“ *I feel fortunate to have known Louann. She always made me feel as if we were life-long friends. Her smile, her laugh her generous spirit filled a room and was so contagious. She was so helpful, kind and loving to me when I bought my home. We exercised at Wills Park together with others Milton Moms and even now after so long it brings a smile to my face to think how much fun we had. My thoughts and prayers are with you all. She was a very special lady and I feel so grateful to have known her.*

“ *Mama Kendall was one of a kind! She was the most spirited, kind hearted, nurturing, giggly, party planning, tail gate loving, lovable, second mama and amazing chef. Even her turkey bagel sandwiches were passed around the lunch table! Not to mention the fact that when she would send us her banana bread in college, Leslie and I would hoard and hide it in our drawers so that Britt and Jess didn't know we got any. (Shhh don't tell) I have had the pleasure of being blessed with her presence and memories for 24 years. I will hold dear to my heart all of the cheer practices and competitions, sporting events, dinners, beach & lake trips, Lollie and my joint birthdays, meals in general, Beach Mom showers, weddings, and countless hours of laughing. I love you Mama K!*

*And to La, Beej, Jeff and Busby family....thanks for sharing her with so many of us! She was an amazing lady, whose infectious laugh and fun loving attitude could brighten even the rainiest day. Hold onto that and each other; and know that there is a whole lot of love and support surrounding you!*

*Lots of love,*

“ Louann was a very special mother, friend, confidante, supporter of people and the community. She always wanted the best in everything and you could always count on her for giving 100%. She always had a smile on her face and I will have long lasting memories of her incredible love for life and laughter and her long island ice teas :-))) She always loved a celebration and would do anything to make it a success. She was a huge supporter of ALL of her girls and made sure they felt at home as she fed them well cared for them, listened to them and loved them with all her heart!!!! You will be missed tremendously Louann but know you will always be in our hearts, our girls hearts and by our sides as we continue to celebrate with you!!! Love Susan Johnson

“ Louann you were one of the best friends that I have ever had. I loved you beyond words, and felt more like your sister. You were a lifeline for me during my worst days, you were always smiling and laughing, and loving life. You loved your family more than anything, and treated myself and my kids as part of your extended family. You were not only my friend, but my asst. coach, my rock, my sounding board, my angel. You have always been there for me in life, and I know you will be a guardian angel looking out for all those you care about. I will dearly miss you in life, but know I will see you again someday. My memories of you will last through my lifetime and beyond. You inspired me in so many ways, and for that I will never forget you. Love you, Sandy Zitterkopf
