“ *We were both very blessed by Mike's mother. She was always kind and gentle. She loved to play games and that has carried over to our daughters, Sara and Jenna and especially to our grandsons, Luke and Jude Bane. That is a trait that I didn't realize could be inherited, but it has become a family tradition in our family that Luanna definitely handed down. Mike always remembers drinking sweet tea with his Mom after school and discussing the day's events. We all remember that Luanna didn't want salt on her margaritas. She loved all of us and we all loved her. She will be greatly missed by us all, but we know she is in Heaven with Melvin and that she is happy and at peace. May God bless you all as Luanna blessed us all by being our mother and mother-in-law!##imported-begin##Becky and Mike##imported-end##*

Grandma was such a special lady. Thank you for sharing her with me. I know that her and your Dad were very proud of both of you and your families. I love you more than words can say. Love and Prayers...##imported-begin##Sis##imported-end##
