“ *One more note, Virginia, whenever you'd ask her how she was, she'd always reply, I'm just fine and had a big smile on her face when she replied. I never once heard her complain about pain. She was quite a special lady, Janice - just wanted you to know this.##imported-begin##Ruby Cook##imported-end##*

“ *Hello, Janice and family:*

*I am Mamie Booker's friend, you and I met and talked while your Mom was ill. My prayers are certainly with you and your family at this time. Virginia is now healed from head to toe and happy as a lark. It always hurts those who are left behind but we know she is in a better place and she is truly happy. She has been wanting to see her Lord. My continued prayers will be with you all because I've been down this road as well and there's always a void when one leaves and especially a Mom or Dad. God bless you and your family.##imported-begin##Ruby Cook##imported-end##*
