“ *This woman was one of a kind. I always wished she was my mom too. She took me to the ocean for my 1st time, she made me laugh every time she walked in the room. We had our own language nobody else could even understand. Knowing Lynn and Paula changed my life- every happy childhood memory has them in it. I love you guys!*

Paula, I am so sorry for your loss. Your mother was always so kind to me and my family while she was married to my dad for nearly 30 years and up until his passing a little more than five years ago. She would search the world over for Christmas gifts for my children to find just what they wanted. I know she was a great caregiver to my dad as well during the 20 plus years that he suffered with his cancer. This was very difficult for her and I know I never heard a single complaint from her. Praying for you and Dawson as you navigate the next chapter of your life without your mom.

My thoughts and prayers are with your family. I have known Lynn for 50+ years and she was so vibrant and lively. Always positive and laughing and a joy to be around. She could lift the spirits of anyone she came in contact with. She will be long remembered and missed by all.
