“ Dear Scott family, we loved Mabel. We met her when our son Cameron worked at VP Milton. During our Thursday sing a longs, Mabel would quietly participate and I enjoyed chatting with her at the end of the hour. Recently we had been able to spend more time with Mabel when she joined the Flourish program and she would join us for Art class and sing a long. We just learned of her passing today as we were out of town for 2 weeks. We are happy to know that she was a Believer and is now with Jesus. Sending prayers to your family and we will certainly miss Mabel here on earth.
