“ I have great memories of my childhood with the Robinson family. My dad JF (John Womack) grew up with Winston in TN and throughout the years always remained close friends. We use to get together all the time and the most fondest memory was the Easter egg hunts we use to have at their house. Madelyn was such a sweet person and will truly be missed by everyone.

“ She loved her children, grandchildren, grandchildren in-laws, and great grandchildren with all her heart she will be forever missed. She was the type of person that always made you feel special when you were around her. She taught my husband about unconditional love and compassion. He was her Huggy Bear and to him she was the best grandma a boy could ask for. G.G. we know your up in heaven watching over all of us.
