“ *The Day Family has always had a special place in our hearts. As long as I can remember they have been a part of Hopewell Church and Community - always helping everyone. Marcelle was a quiet, lovely lady and will be missed. I so enjoyed our visits and our special tea party. The joy that she is now sharing with Charles and her Maker turn sadness to joy. Our thoughts, prayers and love to all of you, the sweet "girls" and your families. Ron & Judy Turner*

“ *I've known the Day family for over thirty six years and worked for Charles a couple of years. They both have been perfect example of what the Lord wants us to be as Christians. After Charles passed, I always tried to speak with miss Marcel a couple of times a week. She was a inspiration to me and I will miss or conversation's. Thoughts and prayers are with the family and friends. Love you and miss you Marcel.*

“ *I never met Mrs. Day, but feel like I know her from the stories shared by her daughter, Melinda. I've worked with Melinda for the last 13 years or so. Melinda and her sisters are a true testament to how Mr. And Mrs. Day lovingly raised their family. Melinda, Melissa, and Robin, I am so very sorry for your loss. While we grieve here in our earthly bodies, what a comfort to know that we will see our precious parents and loved ones again. What a great day that will be!*

Marcelle was the first person to take me under her wing at the PO. I was hired in as her sub when she was still a sub in 1993. She was not mad that I passed the test before her and Deb. She was just always proud she trained me. An amazing woman that was thankful I took the time to talk to her MIL every day (AH) and let her tell her how pretty my truck was, and her stories about helping the mail carriers in horse drawn carriages. I never knew if the stories were true or not, but I loved them none the less .

I also knew Marcelle from the post office. She was by far one of the most "genuinely sweet " ladies I have ever known. Although she was not old enough, she always reminded of my grandmother. I always thought that she was BEAUTIFUL inside and out!! At one point in my postal career as a sub, I quit and moved to Alabama for one year. At a busy office like Alpharetta, people come and go often. Once gone, you are forgotten! Not to Marcelle! She actually sent me a Christmas Card that year to Alabama!!! Once back to Georgia, we would often have Charles work on our vehicles. While at the shop, I would always go to visit her at the house. Thoughts of Marcelle always bring happy memories and a smile to my face. I am so very sorry for her family at this time. Sending prayers and love! 🙏

*We feel so fortunate to have known Mr and Mrs Day. They were just good, kind, down to earth, Christian people; the true salt of the earth kind of people, as are their sweet daughters. We knew Mr Day before we met the rest of the family and still miss him and speak of him often. Melissa, Melinda, and Robin, we are so sorry for the loss of your precious mama and hope you will find comfort in cherished memories and knowing that your mama and daddy are together again in heaven. Please know we are keeping you in our prayers.

*Thinking of you, Melinda, and your family as you lay your mother to rest. I'm sure she passed feeling very pleased with the person you have become. I pray for peace and comfort that only God can provide as you move forward with your life and know that you will see each other again in a better place.
