“ Dear Ruth,

*We are so saddened by your loss of your dear husband. What a truly special man he was. He will always remain in my mind as a true "Southern" gentleman. A man who loved his family and a man who loved the outdoors. He taught me a lot. The biggest lesson he taught me was to slow down and enjoy the moment that I am in. Like when going fishing not just enjoying the catching fish but also the beauty of the trees and the animals and also just enjoying good friendship.*

*He was also a man who loved God and loved those who served the Lord - especially those who were in missions. You both have a direct part in the souls of the Palauans who have trusted in Jesus. In my mind, I wonder if when Ray entered heaven - after seeing Jesus and the Apostle Paul and Timothy and a few others, he was met by a long line of those who were saved on the mission fields that you both have invested in.*

*Your husband leaves a whole in our hearts. We will anticipate the day that we can all reunite in heaven.*

*We love you and pray for you.*
