“ *I voted for you last night many times!!! It was really eyabnjole watching what you and Chandi achieved, but also to see how she looks at you totally focussed on her mum' and not taking any notice of the noise and lights etc. She clearly loves you very much. Was lovely to see.BEST OF LUCK FOR SATURDAY!! x###imported-begin##Suwilanji##imported-end##*

“ I am very sorry to learn of Peg's passing. She certainly led a full and wonderful life, as did you dad, who I also had the pleasure of knowing.

I work at the Epilepsy Foundation of Georgia and enjoyed working with her for many years on our Board, and visiting her in her later years at Mt Vernon, which is just up the street from our office .

Please know that your family is in our hearts and prayers
