

Margaret Stella Pierce

December 28, 1940 - March 19, 2025

Margaret Stella (Hardy) Pierce, beloved mother, grandmother, and friend, passed away peacefully on March 19, 2025 surrounded by the love of her family. Born on December 28, 1940, Margaret (also known as Marge) grew up in Keyport, New Jersey. She married and moved south eventually settling in Alpharetta, Georgia where she resided for over 65 years. She spent the majority of her life working in the field of electronics until she transitioned to a full time “nanny” for three of her four grandchildren.

Marge was a ray of sunshine in the lives of all who had the privilege of knowing her. With a positive outlook and a light-hearted sense of humor, she was kind and caring and always happy to lend a helping hand, offer words of wisdom, and listen intently as she enjoyed connecting with others. She was always supporting and encouraging her children and grandchildren, and especially took advantage of every opportunity to cheer on her grandchildren during their various sports, activities, academic pursuits, and life. Her true joy in life and lasting legacy are her four grandchildren. Her legacy of love, faith, and compassion for others will live on in the hearts of those she leaves behind.

She is survived by her two children; Jeffery Allen Pierce (Carla) of Powder Springs, GA and Debbie Pierce Peebles (Bush) of Milton, GA and four grandchildren; Jason Pierce, Allie Peebles, Win Peebles, and Caroline

Peebles.

A service to celebrate her life will be held at 3:00 PM on Sunday April 13, 2025 at Northside Chapel in Roswell, GA with a reception immediately following.

Marge's cremains will be interred at a later date at the Greenlawn Cemetery in Roswell, GA in a private family service.

Marge was compassionate about animals especially those in need, so, in lieu of flowers, please consider making a donation in Marge's memory to Canine Assistants by visiting: <https://www.canineassistants.org/honormemory-donation/>.

“ Marge and I met over rescuing cats in our neighborhood. We had so much fun together. I'm really going to miss her. During covid I got her hooked on General Hospital and boy was she hooked. I had been watching it since I was 14 years old she started when she was 80 but she didn't miss an episode and if she did she recorded it. We spent a lot of time on the telephone together even though we lived back door neighbors she loved talking about her family her grandchildren her daughter just always so proud of all their accomplishments. I appreciated her sharing it always put a smile on her face. With the funeral being today I am hearing myself to say goodbye I'm really going to miss her. I love you Marge and rest in peace you were a piece of work and I'm glad that I knew the artist.

“ In the late 1960s Marge and I both worked on the design and production of the first C-5A aircraft at Lockheed Georgia Company in Marietta, along with 30,000 other employees. We were both given awards for solving significant problems and included in Honor flights over north Georgias on Lockheeds Company Jetstar. We later worked together since about 2015 at the Alpharetta and Old Milton County Historical Society. Jim Spruell
