“ *Peggy was one of my mother-in-law's dearest friends, so I met her often in my own young married days. The bridge club, of which both Peggy and Marilyn were members, gave a bridal shower for me as I was far from home. I loved both Peggy and Frank and had long, lovely conversations with them from time to time. It is hard to put into words how lovely and warm Peggy seemed to me, but I know she will be sorely missed by you all and both Lew and I send love and sympathy. - Peg and Lew Louraine*

“ *When I remember Peggy, I think of a charming woman who was easy to talk to even though she was not my peer. My mother loved Peggy and she was easy to love. Her kindness and humanity would radiate from her being. My mother was sad when she left MA to be in GA, and always missed her. As a special person and a special friend to my parents, I will remember Peggy all the days of my life.*

Sending my best to all the Daileys. A big shout out to Frank, as the good husband he was. So sorry for your loss of Peggy. There is a void in the Dailey family now I am sure.

*My husband, Andre, feels as I do. Bless you all.
