“ *Precious Aunt Mary... one of the kindest people I've ever been blessed to love, one of my very favorites ever. Mom & Dad adored you & passed that love down to us. You made everyone's life better & I'll always treasure our memories. You picked up our family Christmas Eve tradition after Mama Cleva & Paw Paw Mac; you always made the whole crew welcome. Fred told me those were the best very memories of his life; I just wanted the McCleskeys to know.*

You made life better for everyone who had the privilege of you in their world. I look forward to hearing that wonderful laugh again when my time comes to go Home too. Mom left me a note just before she went Home that read "There's going to be a meeting in the air, in the sweet, sweet by & by!" I'm glad you & she are enjoying amazing days together with Jesus there now...

Until my time comes, I won't say goodbye, I'll say "see you again soon & we'll clog together there". Love you to Heaven & back. Kristi
