“ *I will really miss my Aunt Marilyn. I'm so glad I got to know her even more probably since my father was ill. I became closer to her when she visited dad and me while I was in Centralia, or when I was on work assignment in Atlanta and had chances to meet with her and Norm. These were, and will remain fond memories.* ”

“ My always lovely, classy friend of over 50 years Marilyn & I shared many of life’s good times (& some not so good). We laughed a lot over the years and shared tears & hugs when our respective lives experienced loss or sadness.

Knowing that Marilyn was a member of a he Republican Party and a strong Donald Trump supporter. I just hate that she didn’t live long enough to watch his confirmation as the 47th President of the United States! 🇺🇸

“ *Marilyn was a wonder friend & mentor to me. Even though I only knew her for a year and a half it seemed like I knew her all my life. She was full of life, love & laughter. She loved her family deeply Norm, Paul, Susan & Maddy. Our monthly lunches were filled with so much laughter, I'm going to miss my sweet friend.*

The last time I had the pleasure of being with Marilyn and Norm for three days was a wonderful experience of two older people finding an each other with a love & laughter ever after relationship. I'm happy they had a cherished life & dear Marilyn will be missed by everyone that had the pleasure to know her.
