“ *I just wanted to say that although I have been "away" from Bethany for a long time, I will never forget the way Marjorie Holcombe could cheer up any situation and make a smile come to your face. She was like family to everyone there and will be missed. My prayers go out to the entire family and to Bethany.##imported-begin##Jason Harris##imported-end##*

“ Marjorie was a like a grandmother to me. I remember those times when I was down and out that she put hand on my shoulder and said it would be alright. Her hug and wink could make the bleakest day brighter. I will sorely miss this woman but know that I will see her again in the by and by. She longed to dance with Jesus and I know she shouting praises unto him right now. I could just about hear tell Jesus Friday she was "Mean as Ever" when she saw him. What a Saint this lady was. God bless you Holcombe family and my prayers are with you all.
I love each of you.##imported-begin##Josh##imported-end##

“ Although I only got to meet this "Darling Angel" a hand full of times, she was precious and I must add a WONDERFUL COOK. The first time I ever met her I felt right at home and she treated my daughter as if she was one of her's. Brent, Nikki, and Sammy I am sorry for your loss. I was standing in that same spot just last week with the loss of my grandmother too and I know what you are feeling. It is never easy when you loose someone so close and so special. I will keep you all in my thought's and prayers. Melissa Padgett##imported-begin##Melissa Padgett (Friend of Brent's, forever)##imported-end##

“ I just want to say that i thought of your mother as my mama after my mother passed away a few years ago. Marjorie taught me so much and she gave such unconditional love to me.
Thank you for sharing her with me all these years. Your dad is like my dad to me now as mine has been gone a few years.##imported-begin##Michael and Peggy Hester##imported-end##
