“ *Prayers and thoughts are with the family during this difficult time. I remember when I was young I always enjoyed Marjorie coming to the house for the weekend which also meant Chip would be with her and we always had tons of fun. Later in life she would send me messages through Chip which always made me smile.*

“ To the family: I'm so sorry to hear of Marjorie's passing. I'm sure that her and my mom (Jackie Mills) are up in Heaven enjoying their reunion. I remember as a child always having fun with Marjorie, Berlin and Chip, along with the rest of the family at the lake house on Lake Lanier. Marjorie, you are gone, but never forgotten! Love you all! Lynn (Shirl & Jackie's daughter)

“ Marjorie I will miss our Sunday conversations and remembering all the good times we used to have with Mother and Daddy and Uncle Berlin and Chip. You know you were like a second Mother to me and I loved you so very much. No one could make me laugh like you could! Even the last conversation we had you had me doubled over in laughter. Peace be with you my dear, please tell Chip I miss him and love him.
