Mark Leslie Chappelear passed away peacefully in his sleep on Saturday, July 30th 2016 at the age of 56 in his Roswell, GA home. He enters eternal rest after a courageous and well fought battle with spinal melanoma.

Mark was born on May 21st 1960 in Fremont, Nebraska. Equipped with a new arsenal of skills, education, amazing work ethic and unique computer skills he headed to the East Coast.

Mark met his wife of 21 years, Sharon, while living and working in Nashua, N.H. They moved to the Roswell/Alpharetta, GA. area in 1994 where they both continued to work in the technology field. The Chappelears have called this area home ever since. They have raised a daughter, Jordan Marie Leslie Chappelear, and become an active and beloved part of the community.

Mark was an amazing person with a fantastic sense of humor. Wherever Mark went the party followed. His love for his family had no end nor did his passion

from life. Whether you knew him for a minute or a decade he was an unforgettable individual.

“ *How do you say good bye to a friend and neighbor? The Chappelear's have lived across the street from us since Jordan was a little girl. It's going to be hard not seeing Mark working in the yard or decorating the house for the holidays; any holiday was a chance to decorate. We were blessed to know him and will continue to support Sharon, Jordan and the rest of the family. It's hard to say goodbye, so we won't. We will say we will miss you until we see you again in God's neighborhood.*
