“ *I can't tell you how sorry I am for your loss. I grew up in Olentangy Ridge and graduated with Mark. While we haven't been in touch through the years except for Facebook, the first word that pops into my head when I think of Mark and his brother is: smile. They were always so happy, kind to people and full of life. I am just heartbroken over this and can't imagine what you all are going through. Know that when the days are tough there are many people out here, like me who are thinking of you and have prayed for you every day since this happened and will continue.##imported-begin##Jennifer (Casey) Gault##imported-end##*

“ To the Family,

As I said in my last note, we are so deeply saddened by these losses. Mark and Doug were very special people, and were highly regarded within our organization. We have a very tight family between the PGA TOUR and IMG, and news like this certainly rocks us to the core. It is tragic and saddening, but gives us a chance to reflect on the happiest of moments shared, as well as celebrate their lives. We will miss them greatly, but please know that they leave behind a lasting positive impression on all of us here in Ponte Vedra.

Best,

“ Dear Dennis and Family,

We are so deeply saddened by this tragic loss of two beautiful sons, fathers, brothers, and friends. I have only known the family for a brief time, but it was incredible getting to know these two boys, and we will miss them greatly. I can't imagine the pain and suffering you're experiencing at this time, but I can only offer gentle words of compassion. Please know that we are here to support you in any way during this time, and our doors are always open to you.##imported-begin##Tyler Williams##imported-end##

“ Although I didn't know Mark well, Doug always would say to me "this company could grow leaps and bounds if Mark would join forces with us." He was so thrilled when Mark finally made the decision to become a part of Heritage Charity Auction & Awards and I know he loved working alongside his big brother. “ What an unbelievable tragedy. My heart aches for everyone. May
God be with Kristy, Grace, Ben, and your parents. I grew up with
Mark. 3rd grade through 12th. I will always have fond memories of
you. Whether it was playing football with your Dad playing QB (I still
don't think I could cover you) or getting into who knows how much
trouble on Whetstone. I'm glad we kept in touch over the years,
especially the endless texts during OSU-UM games. You will be
sorely missed.###imported-begin##Mike Costanzo###imported-end##

I know the light is dimmer in all of our lives knowing his sweet smile and ready laugh are not here any more. I truly cannot believe this tragedy happened. The senselessness is unimaginable. Although I didnt know Mark very well (met a few times at Vicky's get-togethers), he was always smiling and had a very friendly / inviting personality.
