“ *I used to work with Mark at a hospital in Las Vegas, Nev. Just found out today, that he passed.....he was one of those people best described as a "character", very entertaining and funny. Also, he reminded me of a talk show host, as he would ask people questions about their lives and seem genuinely interested in what they would tell him. One of those unforgettable people, you know. Sorry to hear he passed, I wished him well when he left us.
