“ *Mr. Mark Bradford Waldrop*

“ *I am writing this with tears in my eyes and a huge lump in my throat. I just found out I lost a special person in my life-Mark Waldrop. Mark and I worked together in Florence and shared many laughs and good conversations. When I was diagnosed with cancer in 2010 Mark was the first person to jump into action helping me find the best hospital and doctors to treat my disease. We stayed in touch after leaving the dealership and I knew I could always count on him for anything I needed. He was one of the funniest people I have ever met and I will miss our talks and his stories. He was so proud of his daughter Tiffany and loved his "second daughter" Gracie so much. You will be missed Mark.*

“ *Mark and I worked together at Banner Ford in the early 90's. Unlike almost everyone else I worked with, Mark and I stayed in touch throughout the years. I count Mark as a good friend. Mark is one of the coolest guys I've ever known with a sense of humor that was the stuff of legends! Mark had a love for his daughter, Tiffany that was palpable! He was one proud daddy! I've never met her but feel I know her well because of all the stories about her he told. He is and will continue to be missed by this man. Our loss is Heaven's gain! RIP Mark, you're a good friend and good friends are hard to come by and irreplaceable! Shane Usry*

“ *Mark I believe was the love of my life! He was a great friend who helped me through a hard time in my life. He taught me I could be myself no matter what! He showed me joy and fun! We took great weekend getaways together! Although we could not continue as a couple I will always love you! You will be missed greatly!!! Our loss is Heaven's gain! Rest in Peace, Mark!*

“ *Mark was one of a kind! He helped me so much early in our friendship. One day, before I was married, I was having a hard time making a decision that was very important and he flipped a coin for me! His faith that day in me, when I didn't have any in myself, and in God, really saved my life. He was the best man at our wedding and always so handsome and sharp! He was a movie star at heart. That's a great photo of us at "Heart Attack Grill" in Dallas. Russ and he had the kind of friendship others envied. Their banter was contagious and made everyone around them happy. Craig loved him too! And proolly had a crush on Tiffany. Tiffany, he loved you so much and couldn't stop talking about you. The joy you gave him is immeasurable. Our hearts are with you! He is always going to be with us making wise cracks along our journeys, and cheering us on! God bless and keep you.*

“ *Mark was such an amazing person. He never treated me like a step child, he always made me feel like his own. Any time I needed anything he was there without question. He was my biggest fan and there is no way to replace someone like him. I will never forget the countless embarrassing stories you always had to tell... Filling the room with laughter. I always said that you had missed your calling as a comedian. I just wish I could hear one of your millions of stories right now. I love you PAZ.*

“ *I had spoke to Mark much in the last year. We had talked mostly about nutrition and life in general. This is shocking and I am saddened by this. Mark you will be missed.*

“ God put Mark in my life to help save it and he did! Three and a half years ago we met and spent time together almost everyday for about four months. I loved him so much and, like most women, was probably a little "in love" with him too. He showed me that a different kind of life could be fun! He made me laugh and he was ok if I cried too. We had long talks, we shared our hopes and dreams and our fears too. I have never met anyone so alive and that's what makes it hard to believe he is gone.

We know that he lives on safely in heaven and does not suffer any more pain. I know God joyfully received my beautiful friend Mark who, above all, loved his family, especially his Mom, Dad and Tiffany and Tiffany, he was SO very proud of you. Gracie was also always in his heart and you gotta love a Man who loves his Dog!

While the world (our world especially) has lost a beautiful light, a ever expanding Soul and the warmest of hearts, Heaven has gained an Angel of great magnitude. Until we meet again my friend, watch over me.

“ Mark had such a wonderful spirit and generous heart. Mark was one of my first friends in Atlanta and loved to make me laugh with his fishing and work stories. I loved our conversations about faith, fishing, family, love, and life. Mark was always willing to help with my special events at Buckhead church - I could ALWAYS count on him to have my back. I love you, Mark, and miss you already. May you enjoy the presence of God as you rejoice with the angels. It's so hard to say good bye, but I know I will get to see you again one day in paradise.

“ Mark meant the world to me. We had known each other for decades but for whatever reason we were brought back together early this year and had restored a bond that was very special. He was my best friend. He had my back and I had his. God plucked him too early as far as I am concerned. But I know in my heart he is in heaven making all those around him laugh! He was strong, intelligent beyond belief and had a heart as big as the moon. He had his ups and downs as we all do, but he never gave up. He is my inspiration and I will cherish each and every moment we spent together. I know you are loving all the shiny things we talked about... I will see you again my friend. I love you.
