

Marlene Rose Mahotiere

January 5, 1940 - November 19, 2022

Marlene Rose Mahotiere – dedicated mother, sister, aunt and friend of many – passed away peacefully on November 19, 2022 at the age of 82 in Atlanta, GA.

Marlene was born to Josias and Cloraine Fontaine in Cap-Haïtien, Haiti and immigrated and settled in Boston, MA at a young age. She graduated from Fort Valley State College with her Bachelor's degree before attending Georgia Southwestern State University in Americus, GA where she received her Master's degree in Psychiatric Nursing and started her career as a Registered Nurse with the state of Georgia until her retirement in 2005.

Throughout the years, Marlene enjoyed attending church services, traveling, cruises and volunteering her nursing expertise in rural areas of Haiti along with several non-profit organizations in the metro Atlanta area. She made friends wherever she went and was a stranger to no one. She found great purpose sharing in the successes, joys and challenges of those around her. Marlene was a generous spirit who was authentically and wholeheartedly there for those in her life.

Marlene is survived by her daughters, Daphne Mahotiere and Barbara Mahotiere, along with her siblings: Michel Fontaine, Yves Fontaine, Jacqueline Dorleans and Rose Nelson and close cousins: David Josue and Rigobert Augustin along with numerous nieces, nephews, cousins, five grandchildren and extended family members.

In her memory and in lieu of flowers, donations can be made in her honor to

Dementia Society of America at dementiasociety.org or National Breast Cancer Foundation (NBCF) at nationalbreastcancer.org.
