“ *I met Martha and Edwin just before Christmas last year.. that was just a few short months ago.. I am a CNA and I came everyday to take care of her. I loved her from the first day. She was an amazing woman and I enjoyed her stories and funny sense of humor. She had a heart of gold and she loved her family more than anything. Next she loved her friends and her church.. we listened to Sunday's sermon every week on a cd that came in the mail..I can still hear her say "Edwin... did you get the mail?"*

*Today I am selfishly sad because I miss her so much and she has become my daily routine and now I don't know what to do with myself. I know she is in a much better place and heaven is sweeter today with her there. I love you Martha! I will never forget you!

“ *My heart is saddened by Martha's passing. I have many fond memories of her wonderful recipes, beautiful dresses she made the Jill and Gina and how kind and warm she always was to my daughter, Amanda, who is a very good friend of Jills.##imported-begin##Linda Strickland Stovall##imported-end##*
