“ *Very appreciative of Luke's Mom, Dad and brother. I volunteer at the barn where Luke rides and volunteers. Luke is a very polite, positive young man! I am thankful to have crossed paths with Luke and his wonderful family. Kelly Calden*

“ *Dear Shelley, Dalton and Luke,*

I am thinking so much about you all, sending you an enormous amount of love. I had an appointment in Eden Prairie today and drove past the church where you, Shelley, and Dick were married and my eyes filled with tears. I remember that day with great fondness. Please know I am thinking about you and love you all very much.

“ Dick was one of the nicest people we have ever known. If he was your friend, you had a friend you could call on time and again. Couldn't begin to count the number of times and hours he spent helping us. We were fortunate enough to live across the street from the Trampnau family for over 14 years and watched their sons grow up and become very fine young men. Dick & Shelley have been great role models for Dalton & Luke.
R.I.P. good friend you will be missed tremendously!
