“ *To Marty and Family - I am sorry for your loss and sending prayers your way. Marty's kindness and generosity towards everyone was beyond words. He was the nicest person and the most outgoing pharmacist I have ever had the pleasure of knowing over the years, as he helped me through my most difficult times. I will miss him greatly, but I know he's in a better place. Peace be with you Marty and Family.*

“ *I have some very fond memories of Marty and his family. Marty and David were schoolmates in SC but he was much quieter than David. I enjoyed watching them playing softball and just being boys in general. David rode home from school everyday with Marty and his Mom and other children. I am so sorry for your loss but our God in Heaven is in charge. Love and prayers to all of you.*

You know how we feel about the whole family they do not come any better or caring or loving than your family. We were so blessed to have met Marty at You and Lori's wedding. We do not have words to express how sad we are for the entire family. You have been in our thoughts and prayers. Marty was always polite to young and old and a nice young man. He was husband, father, son, brother, brother in law and uncle and will be missed by all.

The Rose Beyond the Wall

*A rose once grew where all could see,
sheltered beside a garden wall,
And as the days passed swiftly by,
it spread its branches, straight and tall...*

*One day, a beam of light shone through
a crevice that had opened wide
The rose bent gently toward its warmth
then passed beyond to the other side*

*Now, you who deeply feel its loss,
be comforted - the rose blooms there-
its beauty even greater now, nurtured by
God's own loving care.*

*Your family is in our thoughts and prayers. May the Lord bless and
comfort you.*
