“ Although I only worked with Mary a few years, I must say that I am truly blessed that our paths crossed. During my first year at NMS, I enjoyed sharing prayer with her and others, on Friday mornings. When I shared Mary's story with my daughter (12, at the time), she began to include "Mrs. Mary" in her nightly prayers. She has been (and will continue to be) an inspiration to my daughter and myself of the importance of faith and perseverance. I thank God, and Mary's earthly family, for sharing her with us. May her strength be an example for us all.##imported-begin##Marie and Amber Lewis##imported-end##

“ Northwestern Middle School has lost one of its finest teachers, but I am happy to say that my daughter, Katie, was a lucky one to benefit from Mrs. Cady's passion to teach math to middle school children. She truly desired that each student have a full understanding of math so that they could move forward to succeed in math throughout their education. Katie will always remember the tenderness in which she taught, yet command respect in the classroom! She will be missed!##imported-begin##Karen##imported-end##
