“ *What a sweet, smart, fun, bird loving, sea loving, people person to have the privilege to know and travel with. Mary Ann, upfront and spontaneous, had a wide range of knowledge on most topics and would share her insights and humor. She was a joy as a travel companion. Fun memories! She was also that person whose advice was solid and a meaningful influence on me in not so great times. She was trust worthy. Every time I saw her, we picked up where we left off. I loved her bright eyes, smile and enthusiasm. Heaven welcomed a precious angel.*
