“ *The Walters family is so saddened by the passing of your Mom. We'll always remember her fondly and feel lucky that we had the pleasure of knowing her. She took us all into her home during a very bad storm, and was a most gracious host. I applaud her for raising such a great group of children, and for her many years serving in a nursing capacity. Good bless to all...we are keeping you close in our hearts, as you see your way through this most difficult time. Love, The Walters family.*
