

Mrs. Mary B. Foster

June 6, 1951 - March 10, 2021

Mary Theresa Baumgartner Foster was a caring wife, mother, grandmother, sister and friend. She was born to Frank and Dorothy Baumgartner on June 6, 1951 in Decatur, Georgia. After graduating from St. Joseph's high school, she put herself through college at Georgia State and joined the GBI where she met her husband, Bob Foster. Together, they had 3 children, Leigh, Robin and Geoff.

Mary loved hosting family, and enjoyed the sound of children running around at her house and banging on the piano in the living room. She was a woman of the Lord, committed to prayer and service, always seeking to meet the needs of others. If you ever walked into the doors of her home, you were welcomed with warmth and love and she most likely insisted on sending you home with to-go food and dessert. She loved going on neighborhood walks with her dear friends, and enjoyed tennis with her Alta team. She lit up with pride watching her grandchildren play sports, perform in recitals and even in helping her oldest granddaughter, Kayla, learn how to drive!

An in person funeral service is scheduled for 2PM on March 15, 2021 at St. Peter Chanel Catholic Church in Roswell, GA. It will be live streamed as well.

Mary is survived by her husband, Bob Foster. She was a loving mother to Leigh Parlier, Robin Scheiwe and Geoff Foster. She welcomed with love, Ben

Parlier, David Scheiwe & Stephanie Foster as in-laws into her family. She was a proud Mae Mae to eight grandchildren: Dylan Parlier (13), Ariel Osteryoung (14), Cameron Parlier (9), Kayla Scheiwe (16), Makenzie Scheiwe (7), Kelsea Scheiwe (4), George Foster (4) and Lewis Foster (2). She is survived by her siblings Joe Baumgartner, Jim Baumgartner, Tommy Baumgartner and Ann Baumgartner Ortstadt. She is preceded in death by Frank M. Baumgartner (father) Dorothy English Baumgartner (mother) and Frank L. Baumgartner (brother).

“ *Mary and my sister Gloria, became life long friends at St. Joseph's. I have known Mary practically all of my life. She shared a lot with Gloria, including singing together in the Glee Club, and at Immaculate Heart of Mary's contemporary Mass in the early 1980s, along with my brother Joseph and me! Gloria and Mary were roommates with Mary's dog, and Gloria's cat! When Gloria became sick, Mary and I become closer. I found out Mary and Gloria had the same middle name Theresa. Mary helped me tremendously in my grief over Gloria's death. As we talked, I found out Mary and I were the youngest of six children. We both had a sister eight years older, both had a brother named Joe/Joseph ten years older. We both "lost" a brother. More importantly we shared our love for Jesus and His' Mother Mary. I will miss our talks and texting practically every single day, when Mary first started having stomach pains, to the day before her stroke. I know she is at peace, happy. Love you Mary eternally!!*

Also we both had an Aunt Edna! In fact, when my Aunt Edna died on Feb. 27th, a year to the day Gloria died, I texted Bob to let him know. I told Bob, Mary had been praying for her. Much to my surprised, Bob texted me right back and said Mary wanted to know what happened. My aunt was getting better. Thanks Mary for always caring so much about everything and every one in my life.

“*Mary and I have been friends since we started high school as a freshman at St. Joseph High School. I left my birth country of Japan not being able to speak any English, but when I met Mary, I felt so comfortable and welcomed in America. I was able to adjust to my new life, thanks to Mary, Gloria Maloof Hawks and Terri Hesse Lambardi. I remembered Mary insisting on trying out for a high school Play, the Wizard of Oz. Of course, since both of us were small and short, we got to play the part of the munchkins. Just a year ago, we were laughing at our old days. I will dearly miss her. Rest In Peace, my sweet friend.*

Mary was an angel placed on this earth for many reasons. She has left us way to soon. My heart broke when I heard she had passed on. She was a good friend to me when in high school. I have many memories with her and others during those years. If we could just go back in time, even if it were for a few moments to laugh, to hug and to share one last event to make a new memory. We can not so I will cherish what I do remember. Rest in peace my dear friend. Soar high and shine down upon us my sweet friend.
