“ *What a sweet lady...and funny too. Sorry for your loss Mr G and Karen.*

“ *Karen, I'm so sorry for your loss. I know first hand dealing with the horrible disease of Alzheimer's. You and your Dad were wonderful to you mom until the end of life here on earth. I truly believe that she is smiling down on you, telling Pam and Scott how "Karen and Ed" took such great care of her. I believe she knows every one by name and can recall everything that took place in her life. I'm sure she, Scott and Pam have laughed about the many memories during our high school years. I know everyone reminds you that your Mom is no longer sick, but that does not ease your broken heart. She will ALWAYS be with you.*

Love you, Martha Richards Stowe.
