“ Thinking of Mrs Hearn takes me back to high school and remembering what a wonderful, loving person she was. She encouraged, respected, mentored, and loved all us awkward, insecure teenage girls. She wanted us to be the best we could be, and she knew how to point us in that direction with grace and humor. She was always smiling and could laugh with us and at us with love and acceptance. She was certainly in the right career, a great teacher who touched so many and helped us grow up with a little more confidence and a better sense of who we were. I always looked up to her and thought her a wonderful lady. I'm sorry for the loss to all of her family and sorry to miss the memorial service. May she rest in peace ❤️ Connie Dalton Hunter

I had the honor and privilege of working with Ms. Mary Jane Hearn at Roswell High School. Ms. Hearn had a passion for her career which included the students, parents and staff in the community. She always took the time to listen and be helpful in any way possible. She was always so positive and influenced everyone around her to be better. I have always respected her work ethic and the many great things she would do to inspire others. I will always remember the time she invited several staff to her beautiful home in Roswell, Georgia and provided dinner for us. I am certain that Mary Jane's children, grandchildren and other relatives will miss her every day. I am truly blessed for knowing and working with such a wonderful person. Many blessings to Mary Jane, her children, grandchildren and relatives.
