“ *Aunt Mary was my Dad's oldest sister. She was very sweet and we will miss her but we know she is in Heaven and free from all pain. We love you Aunt Mary and look forward to seeing you in Heaven.*

“ Mary was my sister, and 10 years older than me. Over the last few years we were not able to see a lot of each other but the last time my niece and I visited her in the hospital in Jacksonville, Florida, she glowed with happiness. I treasure that visit and cherish the little time we had with her. Originally from Jacksonville, Florida, she was one of 8 children plus a foster brother our mom and daddy raised as their own. Now it's just my older brother and myself left but we know our beloved sister is rejoicing in Heaven with our parents and other siblings. She's pain free, no more stress and finally free. I love you dear sister. Your loving sister, June Clark.

“ Mary was my mother's oldest sister. She was one of my favorite aunts and I loved her dearly. After my mom died in 1963 .I lived with her for a short Time while daddy made arrangements for sitters. I was in the 7th grade. Before my mother passed away aunt Mary worked with my mom in my mom's florist in Jacksonville, fla. Her final years on earth were not her easiest or the best but today she is healed and reunited with loved ones gone on before her but more importantly she us with Jesus her Lord and Saviour. RIP in Aunt Mary and please hug and kiss all my family for me.
