“ *Dear Suzanne,
I share in your sorrow. What a wonderful life your mom lived and was so blessed to have been cared for and surrounded by such a loving family. When I saw her picture it reminded me of a quote "If you have joy in your heart it will be known by the look on your face". Joy shines through her in this photo and also the twinkle in her eye that I will always remember. I can only remember her as a happy and positive lady. I was privileged to know her and have been blessed to have her precious daughter as my forever friend. You are in my prayers and from my heart I express my deepest sorrow to you and your family. “ Hi Suzanne,

Linda and I are very sorry to learn that your mother has passed away. She was a very sweet lady and one of the nicest people I ever knew. I know that my childhood would have been very different if not for her influence and kindness to me.

When I saw her photograph on this web site, it brought back a flood of wonderful memories that you and I shared. I know that it must have been a great comfort to have you so close in her last years.

I will pray that she finds eternal comfort with God. I know that she has earned it.

Love, John##imported-begin##John Francis##imported-end##
