“ *Mary Ann worked for us (Randstad Staffing) at Ryder Transportation. She was one of the first employees I processed when I started working for Randstand. We all will surely miss that smiling face and her bubbly demeanor. We often said, "If we can just hire all of the employees like Mary Ann, it would certainly make our jobs easier and, some very happy and satisfied clients. God Bless all of you and thanks for allowing us to know Mary Ann as well.*

God Bless,
