“ I will always remember Matt being so outgoing and always wanting to put on a show for others. Every time I think of Matt I always am drawn to the memory of him and I trying to put together a choreographed dance to do for Kristen and my sister Jessica and we danced (more Matt danced) to the Backstreet Boys which involved a lot of cartwheels. I will also remember climbing the tree by the tennis courts in Bridgestone all the time with him. I will miss him dearly and my thoughts and prayers are with your family

“ We are so sorry to hear about the passing of Matt. We have great memories of all of the Bridgestone kids playing together, and your backyard was a central location for fun. Thinking of you. ❤️
