“ *I met Meighan when she came to work in the NICU at Northside Hospital. We got to know each through her orientation and then working many shifts side by side. We shared life stories and found we had some things in common. Meighan was a terrific nurse - smart and caring. May she Rest In Peace now in God's hands. She lives on through her beautiful daughters. God bless all of you.*

“ *I first met Meighan when she was new NICU nurse at Broward General Medical Center, Ft. Lauderdale. Her life path veered off from mine but we met again when I moved to Atlanta in 2007 and started working at Northside Hospital. I was so happy to see a familiar face and she really helped my adjustment. We had many talks and laughs about the good old days at BG! Rest in peace Meighan and may the Lord bless and keep you in His perpetual light.* ”
