“ *My memories are fading of my childhood on Lynne Circle but I do remember Melodie's big smile and sweet, fun demeanor. She welcomed me to the neighborhood with her friendly personality. Her parents were also quite wonderful, unforgettable. My heart and prayers are with you all. Rest In Peace, Melodie.*

“ *I loved Melodie the first moment I met her when I was a young bride and a brand new aunt. She and Charles, Jr. were wonderful playmates to my fearless toddler, Jamie, even to the point of fishing her out of the deep end of the pool.*

I cherish her memory as I knew her then.

“ *We enjoyed seeing Melodie through the years as she walked past our house on Sherry Drive. She had such a sweet smile! Many times we would find our trash container at the top of our hilly driveway and realized that Melodie had brought the container from the street as she was on one of her walks! She loved to help! She was consistently interested in others and especially our grandchildren who live with us.*

We send our love and prayers to her wonderful parents who so lovingly cared for her along with her other family members.
