“ *Grief is the price we pay for love. It can't be shared. Everyone carries it alone. Their own burden in their own way... We ask for God's blessings on you and your family. May you find the courage and strength to move forward in peace and confidence and in knowing that Michael's was a life well-lived. .”*

However heartbreaking this is, we will be forever thankful for the time we had with Michael in this life. A wonderful father, son, brother, friend...We will keep your family in our prayers as you seek peace and acceptance during this difficult time.

“ I have very fond memories of Michael as I got to know him through his beautiful wife Mandy Odum. Michael and Mandy were always great fun and he was one of the last men standing at my wedding. He was so much fun to be around, especially with his rock in this world Ms. Mandy Odum. She cared for him so immensely and gave all of herself to him. Thoughts and prayers are with your family during this difficult and heartbreaking time.

“ I am prompted to share a memory here but I have so many wonderful ones that I cannot pick just one or two.

Mike played a major role in my life when we were young and starting college. I find myself smiling often because of such fond memories.

Words cannot describe or convey the sorrow that I feel as his absence is felt on so many levels.

Please accept my deepest sympathies and condolences. I wish his family and friends strength, love and courage through this difficult time.

Love & Light,
