

Mr. Michael Ray Weaver

February 7, 1961 - July 11, 2018

Michael Ray Weaver, of Woodstock, died unexpectedly on July 11, 2018. He was 57 years old.

Mike was preceded in death by his father and mother, Floyd and Reba (née Ray) Weaver; sisters Marjorie Ellis and Peggy Todd; brothers James and Donald Weaver; and nephew Mark Todd. Mike is survived by his loving wife, Mindi Weaver (née Holtzman); his children Nicholas and Rachel Weaver; nephews Roger, Bobby and Johnny Ellis, and Jason Weaver; and niece Lorrie Redman.

Mike was born on February 7, 1961 in Florence, Alabama, the youngest of five children. Mike attended Collinwood High School and the University of Tennessee. After graduating from UT, Mike began his career working for General Electric. In 1986, Mike relocated to Atlanta to work in sales for Philips Lighting. Mike was a valued employee at Philips where he continued to work for the past 28+ years. Mike met his beautiful bride-to-be, Mindi, in Atlanta in 1983. Mike and Mindi were later married in 1990.

Mike was a lifelong lover of music. He enjoyed listening to a variety of music genres, with Tom Petty being one of his favorite artists. As bass guitarist, Mike was an integral member of the local Hickory Flat Band. Mike was an avid outdoorsman—bicycling on the local greenway, kayaking on the Nantahala River, and camping in the North Georgia Mountains. Mike will be remembered by his family and friends for his quiet, but strong nature; his killer tennis serve; as a generous party host; as a loyal Crabapple Falls community member; and

most of all as a generous and loving husband, father, and uncle.

A memorial service for Mike will be held Saturday, July 14 at 2:00 p.m. at Northside Chapel in Roswell, with a visitation starting at 1:00 p.m.

In lieu of flowers, please make memorial donations to www.WoundedWarriorProject.org.

“ *Mike Weaver was a Good Friend, Neighbor, and Brother. There's not too many things in Life that we haven't done together as we were blessed to get to spend years and years together. If you were around Mike Weaver you were having FUN. Mike believed in Living Life Large! He was non-stop and always had something going on. His Love for Mountains and Rivers ran as Deep as how high the Mountain Top's are in the Blue Ridge and the Smokies. Mike Loved the Outdoors and Mike Loved Life. We all lost something when we lost Mike Weaver. He will be Greatly Missed. Going back to the Nantahala River will Never be the same without The Weave. I Love You Mike !!*

“ I was lucky to get a call from Mike this past weekend. It was raining but he wanted to go to the NOC in NC. He said can you be ready in 30 min. I said let's do it. It rained the whole ride up but when we pulled in to park, the clouds opened up, blue skies & sunshine. We thought we were in paradise, local music, sunsets and stars on Homer's mountain. RIP Weavo, your buddy Eddie
