“ *Dear Alta and Dennis, you most likely do not remember me but just wanted to tell you how sorry I am to hear about your Mother. She was a WONDERFUL and DELIGHTFUL lady and I know Aunt Sis and she are laughing it up right now. I know my Momma (Bessie) will be happy too.*

Sorry we could not make it up there but wanted you to know we are thinking about you and you are in our prayers.

Love and Sympathy,

“ I am unable to attend the services for Mildred Barron as I am unexpectedly having to tend to a surprise crisis. Otherwise, NOTHING could stop my being at the memorial of a woman I absolutely adore.

As the Advanced Planning Director who assisted MomMil with her arrangements, I was able to experience, first hand, the warm friendship and vibrant personality of this beautiful woman. We created a wonderful relationship with each other that will be carried in my heart forever. I will NEVER forget the many times we fed her goats together and the numerous long chats we had in her home while sipping sweet tea of which she made JUST for my visits. My prayers are now with the family that I know she loved so dearly and some of which I had the pleasure to meet...specifically, Alta. You're right, "she will NEVER be forgotten."
My love and prayers to all of you,

“ With the heaviest of hearts I struggle to find the right words to express my sense of loss of cousin Mildred. I will always remember her as full of life, a lady who graciously did for others, supported her family and community, made the best bannna pudding to ever pass my lips, and was a superb wrestler with an "inescapable" headlock. Although she has passed from this earth, her spirit lives within me as it does in all who knew her. I do gain strength knowing Mildred and mother are now together, frolicking with the same freedom, independence and joy they both enjoyed.###imported-begin##Dan McKinney###imported-end##
