“ *So sad to hear of Millie passing.I loved her things online and pics of her home.I bought several things from her;a fragment mirror,a huge grater,a scrub board.I had questions about a few things;she got right back to me and then sent me a pic of her and her dog. I would love more things like hers and her style.I can feel a sense of loss even though I never got to meet her in person. May God bless you and comfort you. Teresa Lewis Paul,Idaho*

“ *Our deepest condolences to Robert and the family. Though we only knew Millie through the wonderful quaint store in Crabapple, we totally appreciated her incredible talents and eye for quality and art, as she so beautifully demonstrated through her shop and her memorable Christmas Open Houses. Robert shared Millie's unbelievable bravery through her battle over the last 4 years. May she forever rest now. Becky and Jerry Hughes*

“ There was just not a "finer lady" than Millie.

We looked forward to visiting with Millie and Robert at least twice a year when we made our much anticipated trip to the shop or the annual events. Both of you educated us and helped us appreciate antiques. We have several pieces that came from y'all and we treasure them along with the friendships that we developed in Crabapple.

Peace,
