“ *Mrs. Mildred "Ruth" Allen*

“ *Mrs. Allen was our neighbor since 1972 and has been the best neighbor that you could ever ask for. When I look at her house everyday and know she is no longer there it makes my heart empty. She has been like a mother to us over the years and a grandmother to my son. We are going to miss her. One thing we will always remember is the days that she made homemade soup for all the neighbors and would call each of us to pick it up for dinner. Even when she didn't get out much she thought of ways to give to others. I will miss her until the day I see her in heaven. We are praying for the family but know that she is in heaven where she was striving to go.*

“ *Jeannie, I just learned this evening of your mother's passing. I am so sorry. We do have the promise that that one day we will see her again. I have a prior commitment all day and evening tomorrow and won't be able to make the service. I'll be thinking of you and praying for you and the rest of the Allen family.*

“ *Ruth is my grandmother, or 'Granny' as I always called her. I will miss her a lot, but knowing that I'll see her again makes the loss not hurt as much. You couldn't find a better grandmother this side of Heaven.*

“ *This was my Granny Allen. She was always up for a good round of Scrabble...I'm pretty positive none of us Grandkids ever beat Granny (maybe once when she let us win?). She always had a tenderness about her, even when she had to get on one of us for misbehaving. She was a great member of the Alpharetta/Milton community. There are too many memories of my childhood attached to her and my Pa, and being at their house in the summer to mention. I just know that Heaven got sweeter this morning with her entrance. We will miss her but Jesus needed her home because her race had finished. Thank you to all of you that knew her and have prayed for the Allen family. We greatly appreciate the thoughts and prayers.*
