“ *Susan, your Mom was such a special lady. Harry loved visiting with her, she was always so intertaining when "The Boys" went to visit with her. They always had a story from Ms Monnie when they came home. You and your family are in our thoughts, hearts and prayers. Harry and Mardell Clanton*

*Monnie was a real trooper. I am a volunteer at the nursing home and I enjoyed every visit with her. I loved her stories and her sweet spirit. I will miss her but know she is done suffering and she knew where she was going, to a much better place. She spoke of her family and friends every time I visited. She loved you so. My thoughts are with you.*
