“ *It has been almost a year and I miss you so much my heart hurts. I know your in a better place but I miss talking to you and hearing your voice. Life isn't the same without you. I show your picture to the boys and remind them you are Aunt Mary and you loved them almost as much if not more than me. David still seems lost without you but we are hoping he can move on with his life and make a new one without you. It is so hard not having you here. I love you!!!*

“ David you were Mary's heart and soul. Her world revolved around you and the children. The love you two shared reminded me so much of the love our Granny and Papa shared; it was so special. Mary was the sister I never had, even though she was my cousin. We were so close when we were young. We may have been miles away as we began our adult lives, but we were only a phone call away when we needed each other. Years ago when I was going through a really rough time, Mary & David took care of my 2 children. I knew my children were safe and loved. I could never thank you enough for that. David, I know that no words can comfort you at this time, but our love and prayers are with you and the girls. We love you.##imported-begin##Robin Eschman##imported-end##

“ I was so schocked to hear about Mary. I've only known her for a few months, but I loved our conversations and comparing stories of growing up! I will certainly miss the opportunity to get to know her better. My prayers and thoughts are with you and the kids.##imported-begin##Sherry Stanko##imported-end##
