“ *To Nancy's family, I sincerely extend my deepest sympathy to you and the family over the passing of Nancy. She was my neighbor. I will certainly miss speaking with her and seeing her two precious dogs.##imported-begin##Maria Fundora##imported-end##*

“ *I think of you often Nancy as I recall our last serious conversation. We talked about retirement and all the reasons why it was impossible even at our age. Now I revisit that conversation. We work all of our lives preparing for the rest of our life. The sunset comes too soon and we are not able to reap our earthly harvest. Rest in peace my spirtual sister, there is a greater harvest waiting for you.##imported-begin##Marilee Bush##imported-end##*
