“ *Dear Dean and family, I send my deepest heart felt sympathy to you all as you try to cope in this extreme time of grief. From being a part of your family for a while, I got to know Nancy pretty well and I have to say, she was quite a woman. She was loving and kind and exuberant with her love for her family. And love her family she truly did! I've been away from you all for a long time, but ya'll have continued to have a special place in my heart. I am so sorry for your loss and I know without a doubt that Nancy will be missed and remembered with more love than she could ever imagine. My prayer is that you all find comfort in knowing that she is resting, peacefully and joyfully in the arms of Jesus and enjoying finding loved ones that have gone on before her.*

Love to you all,

“ *Finley family, it was a pleasure to have Nancy as a member of my team as we approached the year 2000 and continuing through 2008. Nancy will be always remembered for her extreme dedication to her job and her POS Support team members. As an integral part of our team Nancy was always there to help out, and over the years I have grown to know, love and respect her and all she shared with me and the team. She will be dearly missed.##imported-begin##Ron Jeter##imported-end##*

“ Dear Finley family,
My deepest sympathies go out. I've chatted with Nancy on many occasions over the years. Nancy had great sense of humor and kind words for everyone; even in a hectic situation. Nancy and I shared a love for great purses. That was a favorite topic of ours. I'll think of her every time I shop for one.
Best regards,
